Dear Friends-

Every year at our annual golf outings, we auction off hand-crafted, wood, rocking horses. This horse represents the much needed support we get for hippotherapy.

In years past, our artist, Tony Nelson, has painted the horse with the colors of the MCCD symbol. This year, Tony will choose one of the entries from our

MCCD Coloring Contest

and match the colors from your horse to the ones that will be auctioned off in Chicago and Cleveland.

This contest is open to all friends and family of MCCD. Get as many colorers as you can.

We need to get the entries back to MCCD by March 1st, so Tony can start painting. All entries will be posted on our hippotherapy page of our website: www.mccdcares.com.

Just print a blank copy from the image above, and send to:
